

**goRag® Medium weight All Purpose DRC goRag Roll Wipers**

Strongest all purpose and most versatile wiping material with excellent bulk, softness and absorption capacity. Use to clean both oil and water. Featured for use in the goRag® automated touchless wiper dispensing system.

**Description:**

The go-Rag® Medium weight Double recreped (DRC) roll is designed for use in the goRag® automated dispenser whose technology delivers higher efficiency than cloth rags. The goRag® format replaces waste of bundles and bulk packs by dispensing "just what you need" to get the job done. The goRag automated system is powered by four long-lasting standard D-cell batteries providing for easy and low maintenance requirements and dispenses 5 different wiper options for specific wiping needs and is designed to mount strategically near workers. Durable, high-capacity cabinet includes a locking mechanism to eliminate pilferage, protects wipers against airborne contaminants and reduces time wasted handling rags.

**Features & Benefits:**

- » Double recrepe (DRC) technology provides superior softness, strength, and absorbency/ capacity
- » Versatile, economical all purpose wiper
- » Efficient roll format replaces waste of bundles and bulk packs
