

Brawny Industrial® Heavy Weight HEF Disposable Shop Towel

Heavy weight shop towel made from hydro entangled fiber (HEF) are durable, reusable and stands up to cleaners and solvents

Description:

The Brawny Industrial® heavy weight, strong shop towel is made from hydro entangled fibers (HEF) making them super soft, yet durable enough to resist tears. These wipers are compatible with most commonly used industrial solvents and stand up well in many general manufacturing and maintenance applications including vehicle maintenance. These low lint wipers provide a cloth-like feel engineered to deliver consistent performance and fast and effective wiping, making them a terrific replacement for more expensive cloth shop towels and rags. These wipers come in a convenient dispenser box for added protection and quick and easy dispensing.

Features & Benefits:

- » Hydro entangled fiber (HEF) resists tears and stands up to tough industrial cleaning tasks
- » Toughest industrial cleaning of oil and grease on machines and parts
- » Strong, durable, and reusable
- » Stands up to cleaners and solvents
- » Low lint
- » Performs better, and is more cost effective verse rags or shop towels
