There are multiple ways to ad items to a wishlist or create a wishlist from scratch.
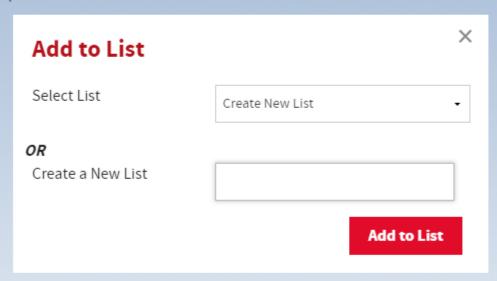

1. If you have items in your cart, on the Cart page click on:

Add All to List

To add one product. Go to the products pageand click on:

⊕ Add to List

2. When this pop-up appears, click on the dropdown and select the desired wishlist to add the product to. If creating a new wishlist, select CREATE NEW LIST and then type the name on the field provided below it.

Add to List   ✕

Select List   Create New List   ▾

OR
Create a New List

                                              Add to List

3. Click on ADD TO LIST. A confirmation message will appear.

Add to List   ✕

Product successfully added to your list.
