

Machine Films

Nexus[®] Machine Film

An evolutionary film that is the next level of performance. Nexus is at the core of all the machine film requirements. This film offers exceptional load containment and control, incomparable holding force, and unbelievable puncture resistance to loads while reducing cost per unit. Nexus: A machine film that delivers an impressive performance not yet seen in this industry.

- Features**
- ONE SIDE CLING
 - HIGH CLARITY
 - CLING PROPERTIES ELIMINATING TAILS/RECOIL
 - TOUGH PUNCTURE/TEAR RESISTANT
 - EXCELLENT FORCE TO LOAD

- Benefits**
- REDUCE FILM BREAKS DURING WRAP CYCLE
 - LESS ROLL CHANGES
 - SUPERIOR LOAD CONTAINMENT FOR TRANSIT
 - LOWEST COST PER PALLET WRAPPED
 - REDUCE CARBON FOOTPRINT
